OVERVIEW

BAKD.io (pronounced "BACKED") is a revolutionary new way to fund your next cryptocurrency project. **BAKD** gives entrepreneurs the tools they need to succeed. With advisors, mentors, funding, and the software at their finger tips, building your dream project just got easier.

NOTES

- This is a tentative **PRE-ALPHA** version of the **BAKD.io** 2018-2019 Roadmap.
- All items below are subject to, and most likely will be changed or updated.
- Please join our Telegram channel, <https://t.me/BAKDio>, and follow us on Twitter [@BAKDme](#), to show your support if you like this project!
